Manufacturer Provided Description

Take your guests for an evening of island hopping or dinner and then win a tournament the next day. The Pathfinder 2600 TRS does it all with style, comfort and high performance. There's cushioned seating for 10 including aft deck seating with flip up backrests and the forward deck can be transformed into a lounge area worthy of a dual console. The console has a fully finished interior with optional pump out potty and the standard deluxe helm seating is perfect for a quiet cruise for two. Plus, there's an option for a ski pole. Even with all this, Pathfinder's angling legacy shines through with full trolling motor capability, lockable storage and a 36 gallon live well. Finally, there's a his and hers bay boat.
