Motivated owner has said to present all offers and has just authorized a huge price reduction for the Palm Beach Boat Show. This custom sportfish just went through extensive work at America Custom (Stuart) as well as Michael Rybovich & Sons (PB Gardens) and is ready for her new owner!

Twin MAN (D2840LE403) power this 54' convertible with new running gear to the tune of a 25 knot cruise. Built using the composite process of cold-molded mahogany sealed with epoxy/resin this custom builder has built a soft, dry riding sport fishing convertible.

Fresh from the yard & completed in 2018:

New convertible enclosure - Clear2Sea

New flybridge cushions

New Garmin GPSmap XSV 7616

Bottom paint & zincs

Prop-speed

Rudders and steering

Lazarette plumbing

Salon air conditioning

As with all Vicem's the interior wood and craftsmanship is stunning and shows beautifully to this day. Three stateroom and two head layout provide ample comfort in this 54' custom sport fisherman.

She is easily seen on Singer Island and anyone considering a custom 55' class convertible, this boat should be on your short list to see!

Measurements

LOA:	54 ft	Fuel Tanks Capacity:	950
